Dear

This letter is a partial response to your emailed Freedom of Information Act (FOIA) request dated January 18, 2018. Your request was received in our office during the government shutdown and we received it the week of January 28, 2018. You are *"requesting copies of all draft and final Burned Area Emergency Response (BAER) reports and specialist reports prepared by the Forest Service because of, or as a result of, the Terwilliger Fire, as well as timber sale contracts or timber sale prospectuses granted in the Willamette National Forest from August 1, 2018, through January 15, 2019. In addition, there is a request for access and copies of all correspondence, including but not limited to, letters, texts, emails, faxes, and any attachments sent to or to the following individuals and following keywords from the time period beginning August 1, 2018 through January 8, 2019 regarding the Terwilliger Fire."*

You clarified/narrowed your request within the email/letter to include:

*"All correspondence" should include, but not be limited to, copies of digital and hardcopy information sent by, sent to, carbon copied by or ("CC"), or blind carbon copied by or to any of these individuals during this time period."*

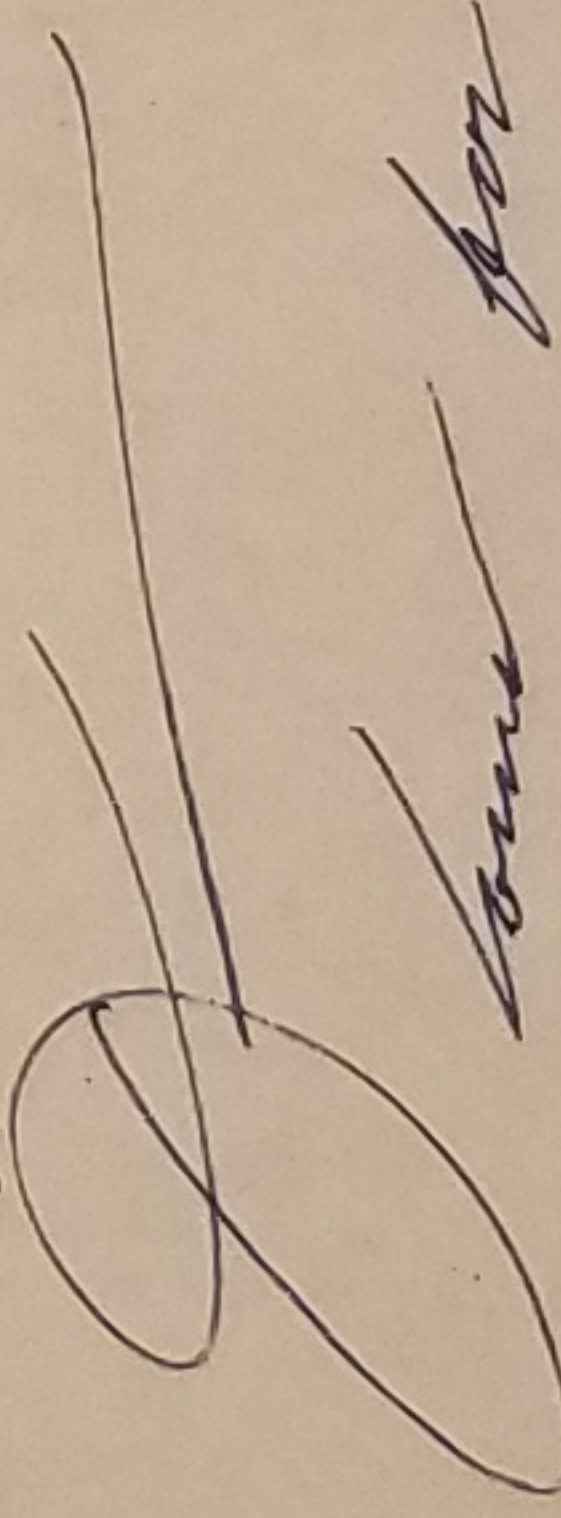

In response to your request, we conducted a search for responsive electronic and hard copy records, in the following physical office locations: Springfield Interagency Office, Regional Foresters Office, and the McKenzie River Ranger District. Within those offices, we searched in every place where a reasonably knowledgeable professional could expect to find records pertaining to your request.

Enclosed in entirety are approximately 242 documents found responsive to your request. The records enclosed consist of: contracts, reports, forms, maps, and correspondence (See enclosed flash drive).

Additional records were located; however, these records required review by the Regional Office prior to release. We have referred these additional records to the Regional Office for review and final response directly to you; you will receive appeal rights in the Region's final response letter.

If you have any questions regarding the status of your request, please contact Melani Gonzalez, Region 6, FOIA/Privacy Act Program Coordinator, at this email address [r6\\_foia@fs.fed.us](mailto:r6_foia@fs.fed.us) or by phone at 503-808-2268; please identify your request by the assigned control number #2019-FS-R6-02160-F.

Sincerely,

TRACY BECK  
Forest Supervisor
